Chloe & Greg - 11/11/2023

We used Flavours Catering for our home wedding! And to say they were amazing would be short changing them! We were dealing with Ava for the planning and oh my gosh she was incredible! So professional... explained everything in detail and ensured that we knew exactly what to expect on the day and that every fine detail was covered.

We are so glad that we choose to go with flavours as it totally took the pressure off and made our day so relaxing and enjoyable. The two lovely staff members that came to our place on the day to cater were beyond amazing! We were asked by all of our family and friends who they were and telling us how awesome they were. The food was delicious and the service was 5 star. We would highly recommend flavours to anyone looking for a catering/ service team and we will definitely be using them again!
